

What's new for sessional GPs

Why sessional GPs need their LMC

Many local medical committees are still struggling to get sessional GPs involved in their work. We are working to ensure you know the benefits of engaging with yours.

Strategy for a safe workload

The LMC conference voted last year for GPC to produce safe working limit guidance. In the wake of the Bawa-Garba ruling, this is even more relevant. Read our report, discuss it with your practices and share it with colleagues.

Sessional GPs and LMCs

Sessional GPs are an increasingly large part of the workforce, but we're still under-represented at LMCs – missing out on a range of support and opportunities. This guidance offers practical solutions to improve engagement from both sides.

GMC commitments follow Bawa-Garba ruling

The LMC conference passed a motion of no confidence in the GMC. Several pledges have been made after meetings with the BMA, but there are still significant concerns to address.

New beginnings

'The most important thing was the camaraderie they had. They talked about everything. It seemed a wonderful way to work and enjoy life.'
